OFFICER AWARENESS:

- Nothing to report.

SOI/PPPOI UPDATES:

- At 1908hrs, **Personal** began a Facebook live stream video on **Personal Info.**. In this video, **Pers** discusses launching a Freedom Convoy token, which he states would be maintained and directed by the "Canadian Freedom Fighters Trust". **Pers** claims he is done with Go Fund Me and Give Send Go. The Freedom Convoy token has been set up due to the restrictions put on **Personal** account. The token is like Bitcoin, but is not Bitcoin. The website FreedomConvoyToken.com is mentioned in this video. **Pers** states "this is a way the government is unable to touch it, they cannot touch these funds" and claims the Give Send Go is frozen due to overload, not the government. Speaking about the token **Pers** states he "put [his] name on [it]" and that he is "willing to die on this hill. It's time people understood that".
